Sunday 2nd December

- LINE CLEARING: Loppers in the bush, tidy up tracks on Trig Block and Cattlestop ahead of the Peak Season tracking cards.

Sunday 9th December

- VEG CUT-BACK ON Barrier-Free track. Pruning saws and maybe chainsaw to deal with encroaching vegetation. Helpers needed to clear away the cut veg.

Sunday 16th December

- Finishing off line clearing and track cut-back as above.
- TRACK BUILDING – continuing this project with short sections of boardwalk on western walkway.

Sunday 23rd December

- WILLOW CONTROL: Cut&Paste method or Drill&Fill the willow trees and saplings around the lake edge. Time to make a start on this for the summer, if the swamp has dried out a bit.

Sunday 30th December

- TRAP CHECKS – Roadside, “Public” area, Lake edge mouse and stoat trap weekly baiting.
