November is all about Walkway Improvements ie Track building... Timetable will vary depending on how many helpers and how rapidly we make progress, but the general plan is as follows...

Sunday 4th November

- **Boardwalk construction** near Crawshaw Access eastern side of lake. Digging & concreting some post holes, fitting bearers onto posts; Lots of moving materials, loading /unloading quad & trailer.
- **ALTERNATIVE TASKS** (all month) Clearing monitoring lines – in the bush with loppers. Willow control if things dry out by the end of the month. “Cut n paste” or “drill n fill.”

Sunday 11th November

- **Boardwalk construction-** fixing more bearers to posts, next step Runners on top of that, then boards across the top.

Sunday 18th November

- **Boardwalk construction** –Take apart old boardwalk for recycling. Start some short boardwalk sections on the Western side of the lake. KIM BRINGING LUNCH!

Sunday 25th November:

- **Track building continues**, laying textile & gravel at ends of boardwalk.

Photo top: checking tunnel cards, 1200, no pest prints!
