### Sunday 6<sup>th</sup> January

- WILLOW CONTROL: Drill & Fill the willow trees and saplings around the lake edge. We have contractors to help the smaller saplings this summer, we can do the bigger ones.
- TRACK BUILDING MATERIALS: carry some along the walkway (in the shade).

### Sunday 13<sup>th</sup> January

- TRACK BUILDING – continuing this project with short sections of boardwalk on western walkway.
- WILLOW CONTROL: Drill & Fill the willow trees and saplings around the lake edge

### Sunday 20<sup>th</sup> January

- CONVULVULUS tidy-up: pulling out and raking the weed with the pretty white flowers growing around the carpark area.
- LINE CLEARING: loppers in the bush if it's too hot.

### Sunday 27<sup>th</sup> January

- WILLOW CONTROL: Drill & Fill the willow trees and saplings around the lake edge.

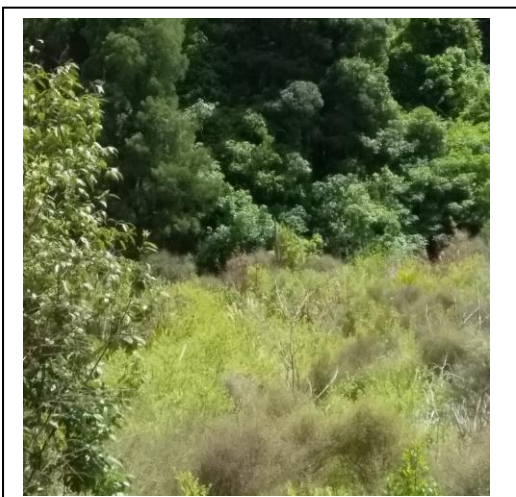

Photo top: Another day.. another boardwalk 😊  
Photo left: Willows- the green fringe will be dealt with!
